SERVICES

What we organise

Business events and travel

Conferences, congresses, meetings and incentive trips. We handle venues, registration, technical production, accommodation and transfers.

Corporate events

Celebrations, retreats, team building, receptions and launches. We tailor each event to your team’s goals and budget.

Event branding and production

Invitations, badges, programmes, stands and signage. We also produce gifts and branded materials.

CORPORATE TRAVEL

Programmes across Armenia

We build trips around your team's schedule and interests, with excursions, tastings and dinners alongside the business programme.

Yerevan

Museums, city walks and dinners

Garni and Geghard

Historic architecture and Armenian cuisine

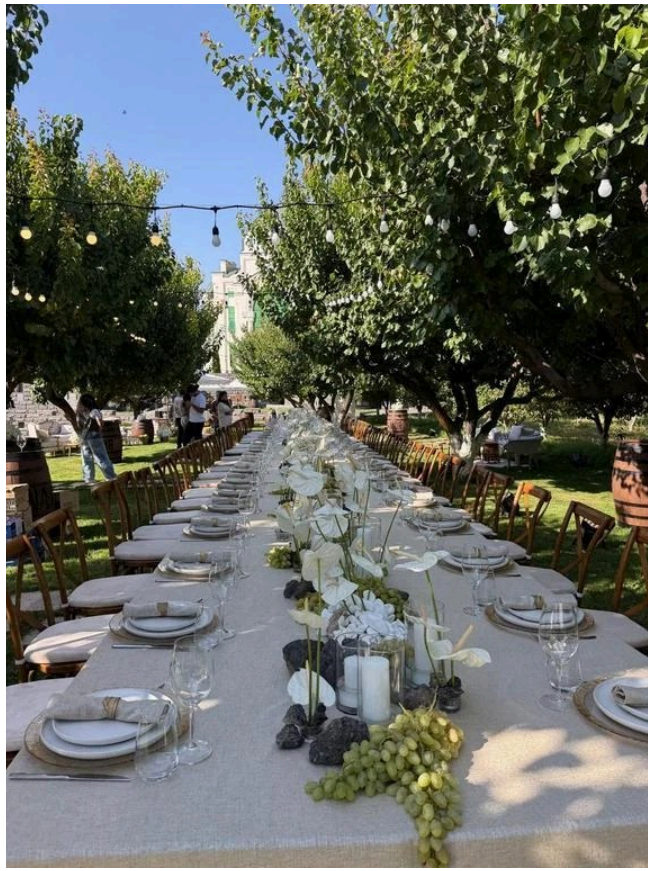
Lake Sevan

A day by the lake in the mountains

VENUES

Venues for your event

We find venues that fit your guest count, season and event format, from wineries and country estates to spaces in the city.



Anamor

How we work

1. **Discuss your plans**

   We clarify your goals, dates, guest count and budget.

2. **Propose a programme**

   We recommend a venue and format, then agree the budget and preparation schedule with you.

3. **Run the event**

   We manage preparations, keep you informed and support the event on site.

Let’s talk about your event

Tell us what you have in mind. Approximate dates, a format and a guest count are enough to start the conversation.
